Dear Enoch:

Re: Commissioner Workshop

On February 27th and 28th, we will hold a river commissioner seminar in the first floor auditorium, Department of Natural Resources Building at 1636 West North Temple in Salt Lake City. The seminar will run from 1:00 P.M. until 5:00 P.M. on the 27th and from 8:30 A.M. until we finish on February 28th.

The purpose of the seminar is to provide training which will help improve the commissioners ability to distribute water and operate the distribution system. Enclosed is a copy of the agenda for the seminar.

We hope your schedule will allow you to attend. We feel it will provide information and training which will be beneficial to you in the completion of your commissioner duties.

Please contact me at 538-7384 if it is not possible for you to attend.

Sincerely,

Gertrudys B. Adkins, Ph. D.
Distribution Engineer
