Dear Gary:

At our last committee meeting, we decided another meeting on Thursday, January 19, 7:00 p.m. would be helpful. I talked with Jim and confirmed this. We will be meeting at his home.

We will interview the candidates for the commissioner position and discuss other items to be resolved prior to the annual meeting.

Your input will be very important so we hope that you will be able to attend the meeting.

Sincerely,

A handwritten signature in black ink that reads "Lee H. Sim".
