Executive Director

Division of Water Rights

KENT L. JONES
State Engineer/Division Director

March 2, 2010

LaVar Davis
PO Box 483
Milford UT 84751

Dear LaVar,

I realized recently that I was a year late in sending this letter to you. Please accept my sincerest apology for my tardiness; it certainly isn't a reflection of our appreciation for the service you gave as Water Commissioner.

On behalf of the State Engineer, the Division of Water Rights, the Distribution Section staff, and the Cedar Regional Office staff, I would like to thank you for your thirteen (13) years of service as Water Commissioner for the **Milford** Distribution System. Your experience and understanding of the area and the water users has been a great benefit.

The position of Water Commissioner is a demanding and sometimes thankless responsibility, and yet, in my experience, you have always carried the responsibility with dignity and diplomacy. Your involvement with water regulation in Milford has helped ensure good management of the water in the area.

The job of Water Commissioner was made more difficult by the very nature of regulation in the Milford area. This has presented many challenges over the years; your experience with the area and the people has provided invaluable assistance in meeting these challenges.

Again, our many thanks for the service you have rendered to the Milford water users and to the State of Utah.

Sincerely,

Lee H. Sim, P.E.
Assistant State Engineer for Field Services
