Dear Wayne:

We ran into a small problem with the proposed schedule of our distribution meetings for February 7th so we would like to make a few adjustments. We would like to propose the following schedule instead of the one we sent to you earlier:

Thursday	February 8 th	1:00pm	Beaver River
		4:30pm	Virgin River
		7:00pm	Santa Clara River
Friday	February 9 th	11:00am	Milford Area

We would appreciate it if you could adjust your schedules to accommodate this change. If this change causes a conflict in your schedule that cannot be resolved, please call me and we will see what we can work out.

Thanks for your help.

Sincerely,

Lee H. Sim, P.E.
Assistant State Engineer for Distribution
