

Jim Wells
Ogden River Commissioner

3/23/2009

Attached are the Ogden River assessments.

The total assessment is: \$29017.32

The 2008 assessment was set at: \$28921.01

So I'm over \$96.31

Blaine thought this was reasonable and in line with past years accuracy.

Let me know if you need adjustments.

Thanks,
Jim
