Re: Mill Creek Grand Distribution System Meeting for 2005

Dear Dale,

We are in the process of setting up the schedule for the annual distribution meetings for 2005. Enclosed is a copy of our proposed schedule for the meetings. We would like to hold the meeting for your distribution system on **Wednesday, February 23, 2005**, at 10:00 am. Would you please review your schedule and let us know if it will not be possible to meet at the time and date we have proposed.

The 4-year term for Water Commissioner Robert M. Byrnes will be over at the time of the 2005 annual distribution system meeting. At the meeting, the water users will need to either recommend that the State Engineer re-appoint Robert M. Byrnes to another 4-year term or recommend another person to be appointed by the State Engineer to serve as water commissioner.

If you have any questions or concerns, please contact me by phone at (801) 538-7380 or by e-mail at LeeSim@utah.gov. Our meeting schedule will be finalized towards the middle of December, so I need to know as soon as possible if your scheduled date and time is a problem.

Thanks for your help.

Sincerely,

Lee H. Sim, P.E.
Assistant State Engineer for Distribution
