re: Pot Creek Distribution System Meeting for 2007

Dear Erin:

I heard through the grapevine that you have been appointed as the Division Engineer since Bob Plaska retired. Congratulations! We look forward to working with you.

We are in the process of setting up the schedule for our annual distribution meetings for 2007. Enclosed is a copy of our proposed schedule for the 2007 meetings.

We would like to hold the meeting for the Pot Creek Distribution System on Thursday, February 15, 2007, at 11:00am in Vernal. We hope that by scheduling the meeting this far in advance we will be able to avoid any conflict with your schedule. This proposed schedule does not allow us to travel to a region of the state more once during these meetings, so if there is a major conflict that cannot be avoided, any re-scheduling would have to be within the same week.

If you have any questions or concerns, please contact me by phone at (801) 538-7380 or by e-mail at [LeeSim@utah.gov](mailto:LeeSim@utah.gov). We would like to finalize our meeting schedule around the middle of December, so please let me know as soon as possible if you see a scheduling conflict.

Thanks for your help.

Sincerely,

Lee H. Sim, P.E.  
Assistant State Engineer  
Field Services Section
