**Re: 1958 MOU on Pot Creek**

Dear Jerry,

I appreciate your response to my letter concerning the Pot Creek MOU. I agree we should have staff meet to discuss water distribution and identify issues that we could then meet to discuss with the possibility of revising the MOU to have it reflect current water operations.

I am appointing Ken Knox, Chief Deputy State Engineer, and Bob Plaska, Division Engineer, as my representatives. Lee Sim can contact Ken for a time and location for the first meeting.

Sincerely,

  
Hal D. Simpson  
State Engineer
