On May 13, 1985, a Pot Creek distribution meeting was held to discuss the new diversion works to be constructed at "Lee's" Cabin. Those that were in attendance were:

Don Smith	Wildlife Resources
Chad Crosby	Commissioner
Ruby Sweatfield	Water User
Alvin Kay	Water User
Allen Bennion	Water User
Max Rasmussen	Water User
Blake Wahlen	Division of Water Rights
Morgan Lee	Land Owner

It was agreed by all water users that the diversion works should be installed as soon as possible, and that they would be willing to share the expenses for installation. Chad Crosby was asked to determine the total cost of the project and notify each user as to their proportionate share. Each user agreed that they would pay into the system after they had been notified by the commissioner.
