SUBJECT: New Database Modifications
DATE: October 4, 1994

A number of database modifications have been suggested recently, and are listed below. If you have any comments regarding these modifications or have some ideas for modifications of your own, please let me know. This could include the lengthening, shortening, adding, or deleting of any fields. The changes will be accomplished sometime in the next two months, so please make your thoughts known soon. Thank you.

1. Put in Comment Field for Underground Points of Diversion.
2. Expand Field for Diverting Works for Surface Points of Diversion.
3. Delete Tributary 2; maybe Tributary 1.
4. Delete Drainage Area.
5. A new field for the Date the Rough Draft was entered will be added to the Endorsement Page.
6. Owner Screen Verification Field.
