Re: 2007 Annual Report

Dear Stan:

You should have received the letter from Debbie Vanoy scheduling the next committee meeting for the Provo River. This will be a meeting of the full committee.

As the letter indicated, one of the major agenda items is a review of the 2007 annual report. I believe that review will be more productive if the State Engineer and the Provo River Committee have an opportunity to review the report prior to the meeting.

I believe we should have two weeks to review the report before the meeting, so I am requesting that you have the report completed and deliver a copy of it to Debbie by October 1, 2008.

By copy of this letter I am requesting that Debbie copy and mail the report to each of the committee members and to me so that we receive it by October 7, 2008. Any costs of copying and mailing would be reimbursed by the distribution system.

Stan, thank you for your efforts in preparing this report this year and developing a system that appears to meet the needs of the system. I look forward to reviewing the finished product.

Sincerely,

Lee H. Sim, P.E.
