Dear Mr. Morgan:

I was recently served a Summons and a Complaint in the Double D case and was served a copy of the NOTICE OF APPLICATION, copies of which I recently provided your office.

I am named as a defendant individually in my capacity as the Provo River Water Commissioner. I request that you have the Utah Attorney General's Office represent me in these two matters. I agree to cooperate in any reasonable way possible to aid in the defense of these lawsuits.

Sincerely,
