

MINUTES OF MEETING OF WATER USERS OF  
THE PROVO RIVER DISTRIBUTION SYSTEM

Date: January 24, 1951  
Time: 10:00 a.m.  
Place: Provo, Utah

Meeting was called to order by Chief Deputy State Engineer L. C. Monson. He then read the notice of the annual meeting of the Provo River Distribution System, after which the meeting was turned over to Chairman A. P. Hicken.

A majority of representatives of the various canals on the Provo River was present.

State Engineer Joseph M. Tracy, Chief Deputy State Engineer L. C. Monson, Frank Reese and T. Vinton Smith of the office of the State Engineer were in attendance.

Minutes of the meeting held January 21, 1950, were read and approved.

Mr. Reese of the State Engineer's office read the financial statement of the Provo River Distribution System, after which a motion was made and passed accepting the report.

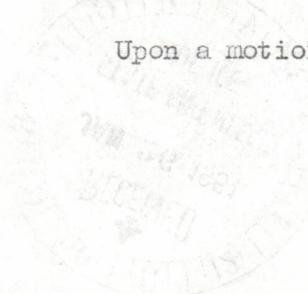

A motion was made and passed recommending to the State Engineer the appointment of T. F. Wentz as Provo River Commissioner and I. F. Baum as Assistant Provo River Commissioner.

A motion was made and passed that the Executive Committee set the 1951 budget.

A motion was made and passed by acclamation that the present Executive Committee, namely, A. P. Hicken, Heber, Earl Conder, R. J. Murdock, Tracy Colvin, Provo; Niels Anderson, Orem; E. Floyd Bonner, Midway; John W. Prescott, Kamas; be made the Executive Committee for 1951.

State Engineer Tracy brought up the matter of reading and maintaining certain gauges on the river and a discussion followed--that ~~of the gauges already in~~ certain gauge readings were duplicated and others were felt not necessary so nothing was to be set up in the budget for additional readings.

Upon a motion duly made and passed the meeting adjourned.
