Would you please mail a copy of the minutes of the annual meeting for the San Pitch River Distribution to:

West Point Irrigation Company  
Ralph Washburn  
188 N 100 W #29  
Mt Pleasant Ut 84647

Thank you. For some reason they did not get their meeting notice in time for the meeting.

Also John Larsen would like to get a copy of the roll that was taken at the time of the meeting.

Thank you for your help.
