Dear Perry:

Re: Payroll Checks

We were not able to take your name off the payroll before the next paycheck was issued, so you probably have received a second paycheck which should go to Larry Rawlings. It appears to us the simplest way to resolve the problem would be for you to cash the checks and give the money to Larry. We have now taken your name off the payroll so you should not receive any further payroll checks.

I have been told that to start receiving your retirement you simply need to apply at the Utah Retirement office. They will help you with anything you need to do.

If you need any further assistance, please contact me.

Sincerely,

A handwritten signature in cursive script that reads "Lee H. Sim".
