Dear To Whom It May Concern: Re: Provo River Distribution Sys.
Account(s) 43-132

Alice B. Duke, Water Analyst for the LDS Church has informed us you own a water right which is regulated under the Provo River Distribution System. The account number associated with this right is 43-132 and our records show the previous owner was the Church of Jesus Christ of Latter-Day Saints.

The distribution system is regulated by the State Engineer under authority of Section 73-5-1, Utah Code Annotated, 1953, as amended to insure orderly distribution of water based on water rights. A budget is set and assessments are made each year to meet the expenses of the distribution system including the commissioner's salary. The budget and assessments are set by the water users at the annual distribution meeting with the State Engineer. If assessments are not paid by June 1st, a delinquent penalty of 10% is added.

If you have any questions, please either call the River Commissioner, Stanley Roberts at 224-1797, Jim Riley, the Area Engineer at 538-7400 or myself at 538-7380.

Sincerely,

Lee H. Sim, P. E.
