Dear Mr. & Mrs. Moon:

Re: Provo River Distribution System
Account 43-167

As per our May 28th telephone conversation, concerning your question about what water rights you are entitled to, we provide the following information.

Our records indicate you have rights to waters from the Provo River for:

- 1) Moon Ditch - 18 acres of irrigation, diversion of water duration of 16 hours, 40 minutes every 14 days, and 8 hours - capacity of ditch 4.40 cfs
- 2) Phillips Ditch - 2 acres of irrigation, diversion of water duration 8 hours, 40 minutes every 8 days, 8 hours - capacity of ditch 1.50 cfs
- 3) Phillips Ditch & Moon Ditch - 3 acres of irrigation which was from a parcel of land owned originally by Frank Farkas, a water right which you have acquired.

Please also note the \$10.00 assessment is for the water right acquired from Frank Farkas.

If you have questions, feel free to call me at 538-7431.

Sincerely,

John S. Larsen
Water Right Specialist
