Attn: Mr. Donald C. Norseth, Directing Engineer

Dear Mr. Hansen:

This letter is to inform you that Utah Power & Light Company has appreciated the services of Mr. Stan H. Roberts, Provo River Water Commissioner, in the past. We, therefore, support his reappointment as Provo River Water Commissioner for 1983. We feel he has efficiently managed the distribution of water in the Provo River drainage and we would not like to see his knowledge of the river system be lost.

Sincerely yours,

Richard S. Hisson
