Dear Mr. Hansen:

For a number of years Mr. Stan Roberts has been Provo River Commissioner. Fort Field Little Dry Creek Irrigation Co. receives water on the lower end of the Provo River.

Mr. Roberts has been firm and looked out for the best interest of the Provo River system. He has been most cooperative with the water users and we have enjoyed a good working relationship.

Your consideration in his behalf will be greatly appreciated.

Sincerely yours,
FORT FIELD LITTLE DRY CREEK IRRIGATION CO.
