SPANISH FORK RIVER DISTRIBUTION SYSTEM

A Meeting will be held Wednesday, May 18, 1983 at 11:00 a.m. in the Strawberry Water Users Building to discuss the Thistle slide and any difficulties it may create in the distribution of water in 1983.

It is necessary that we discuss procedures to assist your commissioners in the allocation of your water.

It is hoped you can attend that all views can be considered.

Sincerely yours,

Donald C. Norseth  
Directing Engineer
