Notice to the Summit Creek Distribution System Committee

On February 27, 2001, we received a letter from Barry Foster tendering his resignation as Summit Creek water commissioner. Barry listed the demands of his other employment and the decision to build a home as the reasons he decided he could not serve as commissioner this year. However, he did say that he would be available to help train the new commissioner.

In light of this development, we would like to meet with the committee to discuss the selection of another individual to serve as commissioner on Summit Creek for 2001.

We have scheduled a meeting for **Thursday, March 22, 2001 at 2:00p.m., at:**

Smithfield City Offices
Council Chambers
69 North Main
Smithfield, Utah

I hope you will be able to arrange your schedule to attend the meeting. Your input will be very important in the selection process.

If you have any questions or comments prior to the meeting, please contact me at (801)538-7380 or Bob Fotheringham, Regional Engineer, at (435)752-8755.

Sincerely,

Lee H. Sim, P.E.
Assistant State Engineer for Distribution
