ATTENTION: Mr. Lambert.

Dear Mr. Lambert:

In the past two or three years, most of the properties on the Beaver Dam Wash, Washington County, Utah, have changed hands and the questions now begin to arise as to who has the water, and how much, etc?

Do you have any information relative to the following properties:

Nordin Ranch, formerly owned by Andrew Nordin, now DI Ranch *10884*

Guererro Ranch, formerly owned by *James* John Guererro, now D. I. Ranch *15717*

Larson Ranch, formerly owned by *all papers* LeRoy Larson, now Wesley Atkin *one rejected*

Nelson Ranch, formerly owned by Marion Nelson, now Wesley Atkin *none*

Also, some of the old time filings call for say 49 inches of water or miner inches ow water. No one in this area that I can find knows what this means. Do you?

I will appreciate any help you can give in this matter as it is becoming of extreme importance and a lot of money is being spent on the Wash by various individuals. This matter is sure to end up in assault and battery, or court on civil determination.

Yours very truly,

Charles M. Pickett
