Ladies and Gentlemen:

RE: Weber River Distribution System
Upper Summit Assessment No. 172

Following a telephone call from Mr. Young, we reviewed the exchange portion of your assessment account. There was an error made concerning Exchange No. 2058 by David Weidner. Rather than Smith and Morehouse stock as the basis of his exchange, he had a contract with Weber Basin Water Conservancy District. We have corrected his file and reduced the exchange portion of your assessment. We apologize for any inconvenience this error caused you. Enclosed is an amended assessment notice.

Yours truly,
