Blaine:

We received the enclosed letter from the Chalk Creek Water Users concerning the distribution of water in Chalk Creek, Huff Creek, South Fork and Elkhorn Creek. Will you give us the facts concerning the distribution on this system this summer so that we can answer the letter as they have requested a reply by the State Engineer personally. We have enclosed a copy that you will be fully apprised of their problems.

Your prompt response will be appreciated.

Very truly yours,

Donald C. Norseth  
Directing Engineer
