6. That the following provisions set forth in the 1998 Interim Order be reaffirmed and made effective for the year 2003:

a. That the River Commissioner be directed to distribute the water of the streams and reservoirs involved in accordance with this Court's Interim Order and to do all things necessary for the proper and correct measurement, diversion and distribution of said waters, in accordance with the Decrees of the Federal District Court and state laws.

b. That the River Commissioner is directed to confer with the committee in developing a schedule for distribution of water, specifically, the manner in which the waters of the Lake Fork River, Yellowstone River and Sand Wash Creek, and their tributaries, should be distributed, after consultation with the State Engineer, and shall submit an annual Interim Distribution Order to this Court for its consideration.
