Dear Mr. Morgan:

On behalf of Whiterocks Irrigation Company, we are writing to request a reconsideration of the Uintah River Storage Schedule Order dated August 30, 1990.

The Whiterocks Irrigation Company believes errors have been made in the Storage Schedule Order which deprive Whiterocks Irrigation Company of its right to store some of its certificated water and in particular, culinary water rights.

Your consideration of this request will be appreciated.

Very truly yours,
