February 3, 2003

TO THE WATER USERS ON BLACKSMITH FORK:

During the irrigation season last year, the State Engineer received a request from water users on Blacksmith Fork that the distribution of water on Blacksmith Fork be reviewed. Therefore in accordance with Section 73-5-1 of the Utah Code Annotated, 1953 as amended, a public meeting with the staff of the Division of Water Rights will be held **Tuesday, February 11, 2003, at 7:00pm at the following location:**

**Conference Room  
Hyrum City Offices  
83 West Main Street  
Hyrum, Utah**

The purpose of the meeting will be to discuss issues related to the distribution of water on Blacksmith Fork and the possibility of having water regulation administered by the State Engineer and having a water commissioner appointed by the State Engineer.

If you have any questions prior to the meeting please contact Lee Sim, Assistant State Engineer for Distribution, by phone at (801)538-7380 or by e-mail at [LEESIM@UTAH.GOV](mailto:LEESIM@UTAH.GOV) or Bob Fotheringham, Regional Engineer, by phone at (435)752-8755 or by e-mail at [BOBFOTHERINGHAM@UTAH.GOV](mailto:BOBFOTHERINGHAM@UTAH.GOV).

Sincerely,

Jerry D. Olds, P.E.  
State Engineer
