Dear Mike:

Re: 1991 Budget/Assessment

It has been discovered the George Creek Distribution System funds are in the "red". There was a misunderstanding as to what the correct assessment amount should be when the assessments were being prepared, and we failed to charge enough. We apologize for the error.

We are enclosing two assessment notices which need to be paid in order to make up the deficit.

If you have any questions, contact me here at my office.

Sincerely,
