

MINUTES OF THE  
GEORGE CREEK WATER USERS MEETING

The Annual Meeting of the George Creek Water User's and the Division of Water Rights was held on March 12, 1980, at the home of Stanley Spencer. The meeting was called to order by Robert Fotheringham of the Division of Water Rights at 1:05 P.M.

The minutes of the 1979 meeting were read by Stanley Spencer. Corrections and additions were called for. There was an addition that Karl Spencer was present at the meeting last year, and it was decided that the Vice President and Secretary be deleted as officers. Motion to approve the corrected minutes was made by Michael Spencer, and seconded by Darwin Thompson; and carried.

Michael Spencer presented the 1979 Water Commissioner's Report. A correction on the high flow to 47.6 cfs on May 28, 1978 was made. He discussed the Collin Booth diversion structure and the need for repair or replacement. Also, there was a report on the weirs at Big Rock, and the reduction from 5 feet to 3 feet at low flows. It was brought up at this time as to the water year out-look in 1980. The U.S.G.S. list indicated that it would be an average water year. During the discussion the Division of Water Rights requested a telephone directory for the area. The problem of beaver and beaver dams concluded the general discussion and it was agreed that each property owner would take upon themselves
