MINUTES OF THE NINE MILE RIVER DISTRIBUTION SYSTEM
ANNUAL WATER USERS MEETING

WATER RIGHTS
SALT LAKE

February 14, 1996
Price City Hall

The annual meeting of the Nine Mile Distribution System was called to order at 3:20 p.m. by Mr. John Larsen from the Distribution Section of the Division of Water Rights in Salt Lake City.

The first item of business was the reading of the minutes for the 1995 annual meeting by Lyle Bryner. There were no corrections or additions to be made. Lyle Bryner made a motion to accept the minutes. The motion was seconded by O.L. Majors. The motion passed.

The second item of business was to review the 1995 financial statement. Mr. Larsen indicated that as of January 1, 1995, there was \$2,068.68. There were no assessments collected, and no delinquent penalties. There was \$111.39 interest earned by the account during the year. As of December 31, 1995, there was \$2180.67 in the trust account. A motion was made by Dale Terry, and seconded by Gloria Fasselin to accept the financial report as read. The vote was unanimous.

The River Commissioner, Mr. George Fasselin, was not present at the meeting. However, according to those present, it was a very good water year. A brief discussion followed concerning the current snow pack conditions. Mark Page reported that Indian Canyon Snotel Station was currently reporting 80% compared to 134% last year.

Mr. Larsen next directed the discussion to the preparation of a budget for 1996. Lyle Bryner made a motion that the budget be set in the same amount as approved in 1995, and that there be no assessments made. Willis Hammerschmidt seconded the motion, and the motion passed. Therefore, the 1996 budget is itemized as follows:

Travel	\$100.00
Contractual Services	\$180.00
Annual Report	\$50.00
Miscellaneous	\$39.00
Total	\$369.00

The appointment of a commissioner was the next item of business. Lyle Bryner requested that Mr. George Fasselin serve in 1996. If difficulties arise, he can call on the Water Rights Regional Office.

With no further business to come before the water users, the meeting adjourned at 3:40 p.m.

Those in attendance at the meeting included the following:
