

FOREWARD

AGREEMENT FOR EMPLOYMENT OF WATER COMMISSIONER AND THE EMPLOYMENT OF SAID WATER COMMISSIONER.

- The agreement providing for the employment of a water commissioner on the Lake Fork and Uintah Rivers dated December 19, 1956, and between the United States of America acting through the Superintendent of the Uintah and Ouray Agency, Bureau of Indian Affairs and the Associated Water Users of the Uintah and Lake Fork Rivers was extended for another year to provide for its emplimentation in 1995.. This action was taken Mar. 21, 1995..

It was at this meeting that I Bill Christensen, was employed as water commissioner for the ensuing year and the presented budget totaling \$70,780.00 was approved.

It was at this same meeting that I was selected as water commissioner on the Sandwash Creek.

At the Mar. 21, 1995 meeting the Bureau of Indian Affairs, Uintah and Ouray Agency was represented by Mr. Kornel Murdock. The Associated Water Users association was represented by the executive committee as constituted at that time, all members being present.
