Re: Granite Creek, Juab County

Dear Mr. Morgan:

We are writing you to obtain a copy of the flow data (collected by Jim White, River Commissioner and Deputy Sheriff) for the BMB Enterprises, Inc. from the Granite Ranch diversion of Granite Creek into the conduit to their hydropower facility.

Please provide us the data, both manual/individual measurements and recorded data that pertain to the operation of this diversion and the hydropower facility. We would like this data for the entire 1999 water year, from October 1, 1998 to September 30, 1999.

Thank you for providing us this information. This will assist us in working with the Utah Division of Wildlife Resources as partners in the long-term management planning for fisheries and recreation uses of Granite Creek.

Sincerely,

Paul F. Dremann  
Vice President Conservation  
Utah Council Trout Unlimited
