NOTICE TO THE WATER USERS OF GRANITE CREEK AND RED CEDAR CREEK

It has been some time since we have held a meeting with the water users on Granite Creek and Red Cedar Creek. It appears there is a need to meet and discuss distribution issues on the two creeks, so we are requesting, according to Title 73, Chapter 5, Utah Code Annotated, 1953 that a meeting be held on **Monday, August 17, 1998 at 1:00pm**. The meeting will be held at:

Allred Reservoir
Partoun, Utah

The purpose of the meeting will be to discuss the distribution of water on the two creeks and the possibility of appointing a commissioner again to measure, record and regulate the use of water on Granite Creek and Red Cedar Creek.

Sincerely,

A handwritten signature in cursive script that reads "Robert L. Morgan".
