Dear Sir:

Re: Beaver Creek System

In response to your telephone call to Kent Jones today, I have enclosed a copy of a map showing acreages in Utah being served by East and Middle Forks of Beaver Creek. Owners were listed in the adjudication for this area, but the information is several years old. The names are:

1. Joe Hickey who has 510 acres between West Fork and East Fork and East of East Fork towards ~~Garfield~~ ^{Gregory} Basin.
2. Francis Gregory (1/3 interest), Pearl Bullock (1/3 interest), and Norma Carlisle (1/3 interest) who have 291.37 acres in ~~Garfield~~ ^{Gregory} Basin.
3. United States Forest Service who has 19.27 acres near the Hole-in-the-Rock Guard Station.

As soon as you have had a chance to review the acreage and update the names and addresses of the present owners, please let Kent Jones know so that he can notify them of the Beaver Creek meeting to be held June 5th.

Yours truly,

Marge Tempest
