Dear Mr. Eyre:

On July 3, 1996, a notice was sent to the water users on the Gregory Basin Canal regarding measuring devices on the canal (see attachments). This notice also pertains to you, and we apologize for being late in mailing it to you. However, you should be aware of the situation, and as a water user should be involved in the installation of the flume at the head of the Gregory Basin Canal.

We will have a meeting with Gino Fioanini Thursday, August 15, at 10:00 a.m. at the Gregory Basin Canal Diversion. You are welcome to attend should you have any questions or concerns.

If you have any questions concerning this letter, please contact Bob Leake at (801) 781-5327 or myself at (801) 538-7380.

Sincerely,

Lee H. Sim, P. E.
