Re: Cottonwood Creek Commissioner Position

Dear Mr. Huntington:

You have been recommended by the Cottonwood Creek Distribution System interview committee to be appointed as commissioner for the Cottonwood Creek Distribution System.

Division of Water Rights staff fully supports the committee's recommendation. The committee's recommendation will be formally presented and the Assistant State Engineer will appoint you as the river commissioner during the annual distribution system meeting scheduled for Tuesday February 14, 2012 at 10:00 am. We will send you a notice of the meeting with the meeting place and agenda. Please plan to attend.

An official appointment letter will then be sent and arrangements will be made to provide pertinent training.

If you have any questions between now and the annual meeting, please contact any of us.
