Burnt Fork Dist

Dear Sir:

Enclosed find Affidavits concerning the water used on the Geo. Sadlier Estate. Through the "Edwards' Sadlier ditch" from Burnt Fork Creek.

I hope these will be sufficient evidence to establish the water right for this property.

I am enclosing (one dollar) \$1.00 for filing fee. If this is not enough please inform me.

yours truly,

Claude W. Sadlier

AFFIDAVIT

Frank O'Mahoney and Rosie Sadlier being first duly sworn upon their oath depose and say, That we lived in Burnt Fork, Wyoming in the year 1902 and that we know of a surety that George W. Sadlier in the year 1902 began to assest in the construction of what is known as the Sadlier-Edwards ditch which diverts water from Burnt Fork Creek for the irrigation of the George Sadlier and the Edwards Rances. That George Sadlier continued to assist in the construction of the said ditch until it was completed. That the said George W. Sadlier applied the water to the land in the year of 1904 and continued to use the water in connection with the said land every year thereafter until his death in 1921. That Frank O'Mahoney during the years 1922, 1923, 1924, 1925 did irrigh^te the said George Sadlier Ranch while in the employ of Rosie Sadlier. That in the years 1926 and 1927 Lee Russell leased the George W. Sadlier. Ranch and irrigated it each year. That in the year 1928 Claude W. Sadlier leased the George W. Sadlier Ranch and has resided on the place and irrigated it every year thereafter until the present time.
