March 7th, 1961

A water meeting was held at the Daguerre County court house at Manila Utah March 7th, 1961 at 4:30 P.M. to discuss water problems for the year, 1961.

The meeting was called to order by Charles Meeks, chairman of the board. minutes of the last meeting held March 10th, 1960, were then read by the secretary, Laray Sadlier. Frank Reese then gave the financial report of the year 1960 and stated that \$84.89 still remained in the treasury from the years 1959 and 1960. Mr. Frank Reese also stated that \$6.18 delinquency on account #9 still remained to be collected from the Karl Allen Ranch purchased by Mr. M. Reed Wilde Sr.

It was agreed that the assessment for the Birch Creek-Burnt Fork water users be \$270. of which \$240. of this amount should be appropriated for the water commissioner.

It was nominated by Earl Gamble and the motion was seconded by Lawrence Beck that the Committee remain the same as in the year 1960, with the exception of Ronald Smith to take over for William Smith, since Mr. Smith was not present for any of the meetings.

The committee was asked by Donald C. Norseth to contact Wendell Triplett to see if he would remain the water Commissioner for the Year, 1961. Mr. Norseth pointed out that Mr. Triplett has done a very satisfactory job and has kept very valuable records.

Donald C. Norseth stated that a measuring team from the state engineer's office would go to Island Lake this summer to take measurement and clear up the natural flow on the lake.

Those attending the meeting from the State Engineer's Office in Salt Lake City, Utah were Frank Reese, Business Manager; Donald C. Norseth, Distribution Engineer; T. Vinton Smith, Asst. Business Manager; and Clarence E. Erickson Jr., Distribution Engineer. Also attending the meeting was David P. Miller from Rock Springs, Wyoming, representing the State of Wyoming. Those attending the meeting from the Birch Creek-Burnt Fork area were Milton Beck, L. R. Beck, Ronald J. Smith, Earl Gamble, Mrs Alta Gamble, Bob Gamble, Charles Meeks, and Laray Sadlier, all representing themselves.

Wendell Triplett was paid \$200.00 from the \$240.00 which was set up for the water commission for the share of the Utah Water Users for the year 1960.
