Distribution

Attached is our check No. 3382, in the amount of \$ 200.00 covering your August 1960 expenses.

We are very sorry for this delay of reimbursement and if you should carry on this distribution work again in 1961 it will be appreciated if you will immediately forward to this office your August, 1961 expenses.

We are looking forward to your attendance at the "Water Commissioner's Training Program" here in Salt Lake City on December 13-14, 1960 at which time I will be able to discuss our mutual problems personally with you.

Very truly yours,
