Dear Mr. Criddle:

We are in receipt of a note from Mr. W. Moile Triplett, Water Commissioner at McKinnon, Wyoming, in which he states that he has not received his salary for the month of August.

We find that we paid Mr. Triplett for the months of June and July, 1960, and it is our understanding that the month of August would be paid out of the State of Utah or by the water users in the Utah section.

We would appreciate it if you would advise us as to whether this is the case, and whether payment has recently been sent to Mr. Triplett for the month of August, 1960.

Yours very truly,

Earl Lloyd
