Dear Mr. Norseth:

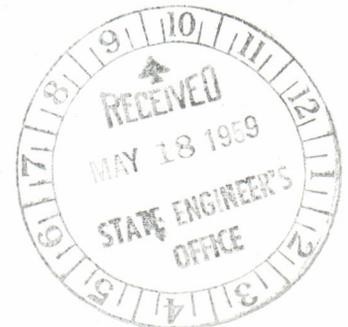

Reference is made to your letter of May 6, 1959, regarding the appointment of Wendell Triplett as Water Commissioner in Wyoming District 14. In connection with the work on the Burntfork tributaries, I know that the Upper Colorado River Compact provides for an interstate priority schedule between Wyoming and Utah in these streams, and in checking through my file, I do not seem to have such schedule on file. If you have this, would you please send it to me, as soon as possible, so that we may proceed with the distribution on the Burntfork tributaries.

Yours very truly,

David P. Miller
