Dear Sir:

RE: WATER COMMISSIONER
BURNT FORK

Upon receipt of your letter of March 27, 1959, I wrote Mr. Triplett requesting information necessary for our records.

As Mr. Triplett will have to be bonded and appointed, which requires some time, would you please contact him and ask him to furnish us with the following information:

A resume of his past experience that would be helpful in his position as water commissioner.

His Social Security number.

The number of his dependants he might have for income tax purposes.

Your prompt reply will be greatly appreciated.

Yours very truly
