State Engineer of Utah

Salt Lake City, Utah

Dear Wayne:

*Re Burnt Fork*

Thank you for sending me a copy of the minutes of the Burnt Fork-Birch Creek Water Users' Meeting of March 17, 1958. I note that a copy was also sent to Mr. Emil C. Gradert, Fort Bridger, Wyoming.

I think that in the payment of the water commissioner, your suggestion that we bill your office directly for the \$200.00 at the end of July would perhaps be the most satisfactory and we can carry it for May and June. This will probably allow you more time to get your collections cleared.

I expect I will see you at the Bear River meeting on April 5th.

Yours very truly,

*Earl Lloyd*
