Dear Sir:

RE: Burnt Fork Diversion

Mr. Gradert, representing Wyoming, and Mr. Norseth, representing Utah, will be on Burnt Fork Creek June 22, 1956, to set the diversions on Burnt Fork Creek for the 1956 season in accordance with a temporary schedule agreed to by Wyoming and Utah.

We trust you will give them every assistance possible and voluntarily abide by the diversions as fixed by the state representatives.

This is in accordance with the understanding had with water users at the meeting held in Manila, Utah, April 20, 1956.

Very truly yours,

Hubert C. Lambert
