Cedar City, Utah

Dear Cliff:

We have a couple of problems that we would like your help on.

We are enclosing a copy of a letter recently received from Mr. Gubler. I think perhaps it is self-explanatory. We are wondering if you could get in contact with Mr. Gubler at your earliest convenience and do what you can to straighten the matter out.

Also, there seems to be some conflict between H. LeRoy Adams and the Clark Estate on Johnson Creek. We would appreciate your checking on this matter as quickly as possible. If weather, etc. does not permit your personally calling on Mr. Adams in the very near future, perhaps it would be advisable to call him. His address is P. O. Box 292, Parowan and can be reached by phoning 2721.

We are enclosing three copies of the Water Distribution on Coal Creek. These are for distribution to Adams, etc.

You left some post cards here so we are also enclosing them. Perhaps you can use them.

Sincerely,

Donald C. Norseth
