Dear Cliff:

Reference is made to your letter of July 15, 1958 regarding the controversy between the Paragonah Canal Company and Parowan City's Power Plant.

We concur fully with your findings and recommendations and also feel that the present difficulties should be worked out between the two parties involved, as you suggested.

Unless additional problems arise in the future, we will do nothing further at this time on the matter. If at any time you feel our assistance is needed, let us know.

Sincerely,

Donald C. Norseth
