

Mount Carmel, Utah.
May 18, 1948.

Mr. Ed. H. Watson, State Engineer,
State Capitol,
Salt Lake City, Utah.

Dear Sir:

Mr. Marcellus Johnson, of Glendale, Mr. Lawrence Esplin, of Orderville, and Mr. David W. P. Stevens, of Mt. Carmel, Utah, acting as a central committee representing the water users here in Long Valley have instructed me to write to you and ask that a meeting be called of the water users in this area to appoint a water Commissioner for 1948. They have asked that Tue. June 1, 1948 at 8:00 P.M. be set as the time and the home of Lawrence Esplin in Orderville, Utah, be set as the place.

As I remember your instructions from other years you desire that these notices be sent out from your office to all of the water users in this area, at least to all who are in any way concerned with the distribution of the water from the main stream of the river.

I believe I furnished you with such a list last year, but since you may not have it readily at hand I will attempt to make another list. As before it appears best to make two lists. One to be the Water users who get their water from the main flow of the Creek or river and have to have their allotment measured and regulated by the Commissioner, and two, the ones who have independent streams or springs of their own and who have never yet called for the services of the Water Commissioner.

List One. (Primarily interested in river water)

G. D. McDonald, Kanab, Utah. Successor to Annie McDonald.
Fred R. Major, Kanab, Utah.
Whitney McDonald, Kanab, Utah.

LIST Two. (Practially independent of main river stream)

W. J. Brooksby, Fredonia, Ariz.
John Brooksby, " "
Joseph Brooksby, " "
Wm. J. Swapp, Provo, Utah.
Roundy N. B, Alton, Utah.
Henry Carroll, Orderville, Ut. Successor to John Watson in Lydia's Canyon.

Town of Glendale, Malcom Robinson Mayor, Glendale Utah. Successor to Glendale Water System.

Reuben Watson, Glendale, Utah.

J. S. Carpenter, Glendale, Ut.

Town of Orderville, Orderville, Utah, Successor to Orderville
Water System.

Mt. Carmel Pipe Line Co. H.T. Salter, Pres. Mt. Carmel, Utah.

Muddy Irrigation Co. David Stevens, Secy, Mt. Carmel, Utah.

I.L. Bowers ,Estate, Maria Bowers, Adm. Orderville , Ut. Successor
to Ed. Giles Carroll. (Water right questioned for non use)

This completes the list of water users in the water shed area of the
East Fork of the Virgin River. Other water users listed on the decree
are out of this area and do not belong in the Long Valley list.

While I am writing I need to ask for a blank form, if you have such,
APPLICATION FOR CHANGE IN POINT OF DIVERSION. We do not intend to
change any point of diversion but may have to correct what appears to
be an error in the decree in describing our point of diversion. Thanks.

Sincerely,

Bert Gardner
