

Mount Carmel, Utah.  
May 9, 1946.

Mr. Ed. H. Watson, State Engineer,  
Salt Lake City, Utah.

Dear Sir:

The following is a list of the names and addresses of the present owners of the water rights on the East Fork of the Virgin River that were granted under the "Burton Decree" of 1925. Those who water comes from a common source from which others get their water too are here classified as "Dependent". Those who own all of a spring or tributary and are not likely to need the services of a Water Commissioner are classified as "Independent". The distinction is important when considering the distribution of the water on this stream.

Sincerely,

*Birt Gardner*  
Secretary of the Mt. Carmel  
Irrigation Co. Mt. Carmel, Utah.
