Birt Gardner, Secretary
Mount Carmel Irrigation Company
Mount Carmel, Utah

Dear Sir: Re: DISTRIBUTION, EAST FORK
 VIRGIN RIVER

This acknowledges receipt of your letter dated August 12, relative to the appointment of a Water Commissioner on the East Fork of Virgin River for the 1945 irrigation season.

It is noted from your letter that the necessity for a Commissioner has now passed and that the water users do not desire that one be appointed for the remaining portion of the 1945 irrigation season. For this reason, your check No. 938 drawn in favor of the state engineer, in the amount of \$5. to cover the cost of a surety bond is returned to you herewith.

The entire matter of appointing a Water Commissioner for the 1945 irrigation season is, therefore, considered closed.

Yours very truly,

Ed. H. Watson
STATE ENGINEER
