

March 23, 1937

Mr. Birt Gardner,
Mt. Carmel, Utah.

Dear Mr. Gardner:

The time has now come when the water users on Long Valley (Upper Virgin) river should meet, hear the financial report for last year's operations, decide on a Water Commissioner for the season of 1937 and set up a budget for the payment of expenses connected therewith.

If you will be kind enough to advise me by return mail the date, time and place for such meeting I will be glad to attend to the legal requirements with respect to giving notice for such meeting.

Yours very truly,

T. H. Humpherys
